

TRANSFLO NOW! App FAQ

How do I send my invoice and the load PODs?

Press the Green Button “Start Scan” from the App Home Screen

I have multiple pages to send, how do I do that?

When taking pictures of your bills to crop and send to us, take one picture and process one page at a time. After you add each page, press “Add from Camera” under “Add Another Page.”

How do I update my email address?

On the App Home Screen, press the small, gear icon in the top, right corner to edit your user info.

How do I add another Fleet ID to send to?

On the App Home Screen, press the “Edit Settings” button under the “Start Scan” button to add more Fleets and edit existing Fleets.
